ELECTRICS AND ELECTRONICS

- Cables
- Sensors
- Inverters
- Shielded cables
- Fuses
- Switches
- Disconnectors

INDUSTRIAL CHEMISTRY

- Glycols
- Lubricants
- Lubricants for food industry machines
- Etching pastes
- Oils for the food industry machines
- Engine oils
- Automotive lubricants

INDUSTRIAL AUTOMATION

- Pressure transmitters
- Temperature sensors
- Differential pressure controllers
- Frequency converters (inverters)
- Pressure switches
- Thermostats
- Valves and electric coils
- Soft starts
- Contactors
- Converters

SHUT-OFF ARMATURE

- Monaural and automatic valves
- Check valves
- Ball valves
- Check valves
- Flap valves (butterfly)
- Breather valves
- Globe valves solenoid valves
- Control and reduction valves

HEAT EXCHANGERS

- Plate and frame heat exchangers
- Brazed plate heat exchangers
- Shell and tube heat exchangers
- Pool exchangers
- Capacitive exchangers (type WP)

PUMPS

- Industrial pumps
- Diaphragm pumps
- Dosing pumps
- Lobe pumps
- High-pressure pumps
- Cirkulations
- Deep pumps
- Vacuum pumps
- Hygienic pumps

OTHER INDUSTRIAL EQUIPMENT

- Accumulation tanks
- Filters
- Compressors
- Satinless steel chains
- Pneumatic elements
- Air hoses
- Spare parts for machines
- Spare parts for pumps
- Spare parts for valves
- Gaskets

TOOLS

- Wrenches
- Screwdrivers
- Welders
- Power tools: angle grinders, hummer drills, saws
- Drill bits
- Abrasives
- Scaffolds
- Ladders
